

Bath clinic

Bath Natural Health Clinic
 Alexander House
 James Street West
 Bath
 BA1 2BT

Clinic Times: Tuesday morning

The clinic is 10-15 minutes walk from Bath Spa railway station and the bus station. The clinic is in a parking permit zone so street parking is difficult.

If you park in Sainsbury's car park, there is a pedestrian exit on your left as you enter the car park, after crossing the river. Take this exit and you will see a single storey building at the end of the street on your right, on the opposite side of the road. This is the clinic.

From Charlotte Street car park, leave by the main exit, turn right, away from Queen's Square, and then take the left turn down Lower Stanhope Street. You will see the clinic ahead of you, as the road bends around to the left.
